1.2 Brief description of Bidding Process

- 1.2.1 The Utility has adopted a two-stage bidding process (collectively referred to as the "Bidding Process") for selection of the Bidder for award of the Project. The first stage (the "Qualification Stage") of the process involves qualification (the “Qualification”) of interested parties/ consortia who make an Application in accordance with the provisions of this RFQ - DBFOO (the "Applicant", which expression shall, unless repugnant to the context, include the Members of the Consortium). Prior to making an Application, the Applicant shall pay to the Utility a sum of Rs. 1,32,000 (Rupees One Lakh Thirty Two Thousand Only) inclusive of taxes as the cost of the RFQ - DBFOO process. At the end of this stage, the Utility will announce a list of suitable pre-qualified Applicants who shall be eligible for participation in the second stage of the Bidding Process (the "Bid Stage") comprising Request for Proposals (the “Request for Proposals-DBFOO” or “RFP-DBFOO”).

Government of India has issued guidelines (see Appendix-V) for qualification of Bidders seeking to acquire stakes in any public sector enterprise through the process of disinvestment. These guidelines shall apply *mutatis mutandis* to this Bidding Process. The Utility shall be entitled to disqualify an Applicant in accordance with the aforesaid guidelines at any stage of the Bidding Process. Applicants must satisfy themselves that they are qualified to Bid, and should give an undertaking to this effect in the form at Appendix-I.

- 1.2.2 All the Applicants would be able to participate in the e-Bidding events on making payment of the requisite fees of, Rs. 6,17,000 (Rupees Six Lakh Seventeen Thousand Only), to PFC Consulting Limited (PFCCL). - 1.2.3 In the Qualification Stage, Applicants would be required to furnish all the information specified in this RFQ and be required to submit their application online at the DEEP Portal on or before the Application Due Date. Only those Applicants that are pre-qualified by the Utility shall be invited to submit their Bids for the Project. The Utility is likely to provide a comparatively short time span for submission of the Bids for the Project. The Applicants are, therefore, advised to familiarise themselves with the terms of the Model PSA - DBFOO that will govern the structure of this Project. The said Model PSA - DBFOO has been notified by the Government of India under section 63 of the Electricity Act 2003 for tariff-based bidding by the Utilities.
- 1.2.4 In the Bid Stage, the Bidders will be called upon to submit their financial offers (the "**Bids**") in DEEP Portal in accordance with the RFP-DBFOO and other documents to be provided by the Utility (collectively the "**Bidding Documents**"). The Bidding Documents for the Project will be provided to every Bidder on payment of Rs. 6,17,000 (Rupees Six Lakh Seventeen Thousand Only), in the manner specified in the RFP – DBFOO. - 1.2.5 In terms of the RFP-DBFOO, a Bidder will be required to deposit, along with its Bid, a Bid security of (Rupees 61.70 Crore (Rupees Sixty One Crore and Seventy Lakh only)) (the "**Bid Security**"), refundable no later than 180 (One Hundred Eighty) days from the Bid Due Date, except in the case

of the Successful Bidder whose Bid Security shall be retained till it has provided a Performance Security under the PSA-DBFOO. The Bidders will have an option to provide Bid Security in the form of a demand draft or a bank guarantee acceptable to the Utility. The demand draft shall be kept valid for a period not less than 180 (one hundred and eighty) days from the Bid Due Date, by submitting another demand draft before expiry of the existing demand draft and may be further extended as may be mutually agreed between the Utility and the Bidder from time to time. In case a bank guarantee is provided, its validity period shall not be less than 180 (one hundred and eighty) days from the Bid Due Date, inclusive of a claim period of 60 (sixty) days, and may be extended as may be mutually agreed between the Utility and the Bidder from time to time. The Bid shall be summarily rejected if it is not accompanied by the Bid Security.

- 1.2.6 Generally, the Lowest Bidder shall be the Selected Bidder. The remaining Bidders shall be kept in reserve and may, in accordance with the process specified in the RFP-DBFOO, be invited to match the Bid submitted by the Lowest Bidder in case such Lowest Bidder withdraws or is not selected for any reason. In the event that none of the other Bidders match the Bid of the Lowest Bidder, the Utility may, in its discretion, invite fresh Bids from the remaining Bidders or annul the Bidding Process, as the case may be.
- 1.2.7 During the Bid Stage, Bidders are invited to examine the Project in greater detail, and to carry out, at their cost, such studies as may be required for submitting their respective Bids for award of the contract including implementation of the Project.
- 1.2.8 As part of the Bidding Documents, the Utility will provide a draft PSA-DBFOO and other information pertaining/ relevant to the Project available with it.
- 1.2.9 Bids will be invited for the Project on the basis of a tariff to be offered by a Bidder for production and supply of electricity in accordance with the terms of the draft PSA-DBFOO forming part of the Bidding Documents. For the purposes of bidding hereunder, the Fixed Charge and Fuel Charge will constitute the tariff for the Power Station (the “**Tariff**”). The element of coal transportation and transit losses may vary from case to case and shall also form part of the Fuel Charge by way of adjustment. The contract period shall be pre-determined and will be indicated in the draft PSA-DBFOO. The Project shall be awarded to the Bidder quoting the lowest Tariff. In this RFQ - DBFOO, the term “Lowest Bidder” shall mean the Bidder who is offering the lowest Tariff.

Explanation

However, the element of coal transportation and transit losses may vary from case to case and shall affect the Fuel Charge offered by each Bidder. The Bid for the Project shall, therefore, comprise the Fixed Charge and Fuel Charge, which shall be specified separately, and the Bidder seeking the lowest Tariff shall be the Selected Bidder. The Base Fixed Charge shall not be more than 70% of the Tariff and the Base Fuel Charge shall not be more than 50% of the Tariff.

APPENDIX V
Guidelines of the Department of Disinvestment
(Refer Clause 1.2.1)

No. 6/4/2001-DD-II
Government of India
Department of Disinvestment

Block 14, CGO Complex New Delhi.
Dated 13th July, 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.

- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
